

Exclusive Layered Tablet

The unique construction of Hillestad's **Summit Gold**® tablet ensures the integrity of the nutrients and provides for the best possible assimilation.

Our laboratory reports that the layered tablet with our special coating protects the sensitive core ingredients. This method of tablet construction requires expensive, specially designed machinery, which presses the two halves of the tablet simultaneously, joining them together to make one.

One half of the tablet contains the vitamins in the SeaPlex base, the other half contains most of the minerals. The outer coating contains the remainder of the minerals. The tablets are polished with beeswax for ease of swallowing and a beautiful appearance. They are branded for protection and to help prevent look-alikes.

Cut a tablet in two and see this unique construction for yourself.

Summit Gold® by Hillestad® SIGN OF QUALITY

A Multi-Vitamin, Multi-Mineral
(plus SeaPlex)
Dietary Supplement

*The finest method of guaranteeing top quality
nutrients in a balanced and complete formulation
as part of your daily diet.*

Supplement Facts

Serving Size: 3 Tablets

Amount Per Serving	% Daily Value
Vitamin A (Retinyl Palmitate).....	9,000 IU 180%
Vitamin C (Ascorbic Acid, Rose Hips, Acerola Berry).....	150 mg 250%
Vitamin D ₃ (Cholecalciferol).....	500 IU 125%
Vitamin E (D-Alpha Tocopherol Succinate).....	75 IU 250%
Thiamine (Thiamine Mononitrate, Molasses Culture).....	6 mg 400%
Riboflavin (Riboflavin, Molasses Culture).....	7.5 mg 440%
Niacin (Niacinamide, Molasses Culture).....	51.6 mg 258%
Vitamin B ₆ (Pyridoxine HCl, Molasses Culture).....	13.5 mg 675%
Folate (Folic Acid).....	201 mcg 50%
Vitamin B ₁₂ (Methylcobalamin).....	12 mcg 200%
Biotin (D-Biotin).....	150 mcg 50%
Pantothenic Acid (Calcium Pantothenate).....	51 mg 510%
Calcium (Bone Meal, Oyster Shell, Calcium Sulfate, Calcium Carbonate).....	501 mg 50%
Iron (Ferrous Fumarate).....	9 mg 50%
Phosphorus (Bone Meal).....	120 mg 12%
Iodine (Kelp).....	75 mcg 50%
Magnesium (Magnesium Oxide, Magnesium Amino Acid Chelate).....	200 mg 50%
Zinc (Zinc Amino Acid Chelate).....	11.3 mg 75%
Selenium (Selenium Amino Acid Chelate).....	35 mcg 50%
Copper (Copper Amino Acid Chelate).....	1 mg 50%
Manganese (Manganese Amino Acid Chelate).....	3 mg 150%
Chromium (Chromium Amino Acid Chelate).....	50 mcg 42%
Molybdenum (Molybdenum Amino Acid Chelate).....	7.5 mcg 10%
Potassium (Potassium Gluconate).....	12 mg <1%
Choline (Choline Bitartrate).....	75 mg †
Inositol.....	75 mg †
SeaPlex (a proprietary blend of Kelp, Dulce, Spirulina, Sodium Alginate, Bladderwrack, Irish Moss, Chlorella).....	37.5 mg †
Citrus Bioflavonoid Complex (Citrus Peel).....	15 mg †
Pancreatin.....	12 mg †
Aloe Vera (leaf) Concentrate.....	12 mg †
Mixed Carotenoids (from Sea Algae).....	3.6 mg †

† Daily Value Not Established

Other ingredients: Sucrose, Microcrystalline Cellulose, Mono- and Diglycerides, Food Glaze, Croscarmellose Sodium, Talc, Gum Arabic, Gelatin, Magnesium Stearate, Para-Aminobenzoic Acid, Lecithin, Starch, Titanium Dioxide (color), Carmine (color), Beeswax. Contains Soybeans.

Why Summit Gold® . . .

- Complete Formula
- Balanced Formula
- Natural Sources
- Sea Vegetation Base
- Better Assimilated

Superior Natural Sources

The sources for the ingredients of **Summit Gold®** are extremely important to Hillestad, and we feel they are of prime importance to you, our customer. Scientists have never been able to exactly duplicate nature, so Hillestad uses natural food sources for vitamins and minerals. For example, rose hips and acerola cherries, citrus bioflavonoid complex, molasses culture, various calcium sources, sea vegetation, etc., all in a natural base of SeaPlex.

Research is an everyday routine at Hillestad Pharmaceuticals, assuring you that the very latest in nutritional findings are incorporated into the **Summit Gold®** formula. Specialization and quality control are the keys to producing superior products, and our laboratories have specialized in dietary supplements since 1959.

*“First in Quality
Since 1959”*

A Base of SeaPlex™ . . .

Hillestad's **Summit Gold®** has a base of SeaPlex, which is the trademark of an exclusive blend of sea vegetation containing an abundance of the minerals and trace elements found in sea water.

This special blend of sea plants convert all of the inorganic minerals found in the ocean into organic minerals, which are able to be utilized by the human body.

Some of the sea vegetation is regularly harvested by cutting off the tops of the plants about three to four feet below the water's surface with a special cutting apparatus. They are then brought ashore to be dehydrated by evaporation to preserve all of the mineral content. The dried cuttings are then ground into a fine meal, making an ideal base for **Summit Gold®**.

The sea vegetation grows back in a matter of weeks, untouched by chemical sprays and enriched by the natural nutrients of the ocean.
